

# Application for undergraduate summer internship at the Astrophysics Research Centre of Queen's University Belfast (2019)

Please return the completed form and the requested attachments to:

Dr Michele Bannister ([m.bannister@qub.ac.uk](mailto:m.bannister@qub.ac.uk)) by March 22.

Name: \_\_\_\_\_

University: \_\_\_\_\_

Degree course: \_\_\_\_\_

Current year of study: \_\_\_\_\_

Total length of degree course: \_\_\_\_\_

**Please attach a university transcript of all your assessed marks to date. An informal transcript is suitable.**

Note any constraints you may have on your availability during the summer (3rd June - 13th September). Allocation to a project will involve finding a mutually suitable 8-week time frame with the project supervisor.

\_\_\_\_\_  
\_\_\_\_\_

Choice of project: please list your preference order for the research projects. See web page for the list.

1<sup>st</sup> choice: \_\_\_\_\_

2<sup>nd</sup> choice: \_\_\_\_\_

3<sup>rd</sup> choice: \_\_\_\_\_

Your motivation: Please **attach up to 300 words** outlining your motivations in applying for a summer studentship and the reasons behind your choice of project(s). Any details relating to your life experience, range of skills, or interests that you would like to highlight should be mentioned here. (Note that the application **omits** any CV; any attached CVs will not be read, in the interests of fairness to all applicants.)
